## Water Softener

Your essential home appliance

# More than 13 million households in the UK suffer with hard water

## The limescale invasion means endless hours of cleaning

If you live in a hard water area you'll be more than familiar with the unsightly and damaging effects of limescale.

**The drudgery of constant cleaning** and on-going battle with hard water is one you're never going to win.

---

**Imagine how great life would be if you didn't have to scrub your shower clean, or rinse out the flakes in your kettle every week.**

A water softener removes the minerals in your water that cause limescale, preventing the build-up in your home.

**Prevention is better than a cure.**

**Make cleaning limescale a chore of the past.**

With an Essential Water Softener life doesn't have to be hard.

# Banish hard water and say goodbye to limescale

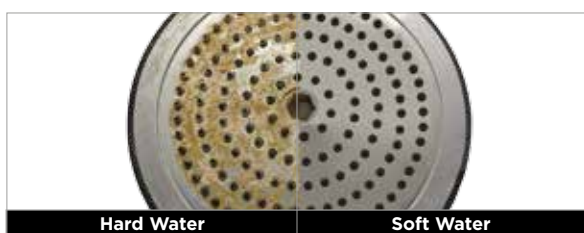

**Protect your home, your family and your wallet**

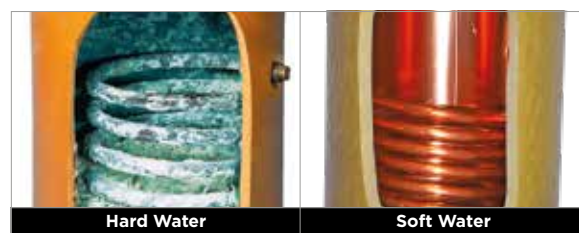

You'll love your sparkly, shiny, limescale-free taps, no scrubbing necessary!

Maintain the efficiency of your water-using appliances including your washing machine and dishwasher.

The water from your shower will be free-flowing rather than a mere dribble.

Save up to 12% on water heating bills and maintain boiler efficiency.

Soft water will keep your towels and laundry looking and feeling like new.

Enjoy a shiny, limescale-free kettle

Can alleviate eczema and skin conditions

Save money on your water heating bills

# essential<sup>SERIES</sup> water softener

## Great-value, non-electric water softeners.

The Essential water softener is great value, easy to install and economical to run.

The non-electric system is powered by our patented AccuDial® technology. This enables the softener to be calibrated to the exact hardness level of the water in your local area, making it very efficient to operate.

### Essential 8

A small and compact water softener

#### Suitable for homes with:

1 - 2 bathrooms

#### Dimensions (w x d x h):

293mm x 498mm x 506mm

#### Regeneration:

15 minutes, 25 litres of water used

**Salt Type:** Tablet

## Why choose Kinetico?

### A world leader in water treatment:

Our water experts put their best thinking into designing and engineering smarter products to create world-leading water treatment solutions.

### Excellent performance:

Kinetico has always produced efficient, reliable and environmentally responsible home water systems.

### Over 45 years experience:

Founded in 1970, Kinetico invented the non-electric, fully automatic water softener.

**We are trusted and recommended by those who demand the best and rely on quality...**

“Since the installation of the Kinetico softener I have noticed a huge difference to the water in my house. I no longer have limescale on the shower doors and around the taps plus I can feel the difference on my skin, it surprised me how noticeable the change is.”
